Re: United States of America v. City of Albion, Michigan v. Cooper Industries, et al., Case No. 1:97-CV-1037 (W.D. Mich.);
Sheridan Township Landfill, Calhoun County, Michigan

Dear Frank:

I am enclosing additional documents from the City of Albion regarding discovery in the above-referenced litigation. These documents come from two (2) sources:

1. Documents contained within the former City Attorney's file which upon our further review appear not to be attorney-client privileged or attorney work-product protected, with some notes redacted; and
2. Documents contained in the former "desk file" of George Davis, which we recently discovered and which *may* not have been previously produced.

If you have any questions with regard to this supplemental document production, please call me.

Very truly yours,
